Frequently Asked Questions

1. How do we know whether we are qualified as a Hong Kong Service Supplier?

You have to satisfy the basic criteria stipulated in Annexes 4 and 5 of CEPA as well as other requirements specified for your relevant sector. Tricor can work closely with you to assess your eligibility.

2. How can we apply for the Certificate of Hong Kong Service Supplier?

Before submitting your application to the Trade & Industry Department, you are required to liaise with various parties (including Business Registration Office, Companies Registry, Certified Public Accountant and China Appointed Attesting Officer) for numerous supporting documents. Tricor can provide one stop service in liaising with all the relevant parties in an efficient manner.

3. Can we start business in the Mainland immediately after obtaining the Certificate of Hong Kong Service Supplier?

No, you are also required to apply to the relevant authorities in the Mainland for approval and registration of a company. BEA as well as Tricor's China Focus Team can provide you with one stop service in arranging all necessary documentation and liaising with the relevant authorities.

4. How can we capture the CEPA opportunities effectively?

In addition to our one stop service in obtaining approvals from both HK and Mainland authorities, Tricor can provide on-going compliance service (including accounting, payroll, work permit application, tax reporting). BEA will provide you with banking services and help you locating your business partners in the Mainland.

5. The Mainland covers a vast area and we are not familiar with the rules and regulations in running a business in the Mainland. While we are exploring business opportunities, how can we handle the statutory reporting?

BEA and Tricor are your business partners providing banking and supporting services to enable you focusing in your core business. Tricor can help you to handle all necessary reporting on time.
